

Binnenland
VIDEO GAME LICENSE AGREEMENT

By installing and/or embedding the licensed font software from Binnenland in any Video Game Application, the purchaser (Licensee) agrees to be bound by the terms and conditions of this Agreement (EULA). This EULA, in conjunction with the receipt that accompanies each purchase from Binnenland or its distributors, constitutes the complete Agreement between you and Binnenland.

This License Addendum allows for using the Font within a Video Game with the following rights, requirements and restrictions:

Article 1: Use of Font Software

1-1

The Licensee may embed the Font into one Video Game. The Licensee may embed the Font into an unlimited number of copies of the Software. The Licensee may embed the Font into unlimited, subsequent versions of the Software. The Licensee may modify or convert the Font to improve the Font's appearance or performance in the Software.

Article 2: Requirements/Restrictions

2-1

The Font may not be redistributed with the Software's source code. The Font may not be installed in the operating system the Software runs on. The Font may not be embedded in Software considered a plugin, template, skin or theme. The Font may not be embedded in Software that enables an end user to create custom typesetting with the Font. The Font may not be embedded in any files that the Software saves or exports.

Article 3: Third parties and Transferability

3-1

You may provide the font to a graphic designer, printer or other outputting service that is working on your behalf only if they agree to use the font exclusively for your work, agree to the terms of this license, and retain no copies of the font on completion of the work.

3-2

You may not distribute the font to third parties or make the font publicly accessible except by embedding or linking in accordance with this EULA.

Article 4: Other Usage

4-1

Licenses for Desktop Computers, HTML Embedding, Software, Ebooks and other uses not allowed by this license may be available for an additional fee.

Article 5: Modifications

5-1

You may not modify the licensed font or create derivative works based on the licensed font without prior written consent of Binnenland or the owning foundry except to generate files necessary for embedding or linking only as allowed by this license.

Article 6: Copyrights

6-1

You agree that the Font Software and Documentation, and all copies thereof, are owned by Binnenland, and such structure, organization, and code are valuable property of Binnenland. You acknowledge that the Font Software and the documentation is protected by the laws of Switzerland.

6-2

Binnenland represents that it is the author of the Font, and, therefore will indemnify the licensee from any third-party claims that allege the Font and or the Software infringes such third party's intellectual property rights.

Article 7: Limited Warranty

7-1

All Binnenland fonts have been tested on standard "Mac OS X"- and "Windows 10"- driven computer systems.

If the Font Software doesn't perform substantially in accordance with the Documentation, the entire and exclusive liability and remedy shall be limited to either, at Binnenland's option the replacement of the Font Software, or the refund of the license fee you paid for the Font Software.

To make a warranty claim, you must return the Font Software to Binnenland with a copy of your sales receipt.

7-2

Binnenland makes no warranties, express or implied as to merchantability, usability for a particular purpose. The Font Software was not manufactured for use in manufacturing control devices or navigation devices or in circumstances that could result in environmental damage or personal injury. Without limiting the foregoing, Binnenland shall in no event be liable to the licenced user or any other third party for any direct, indirect, consequential, or incidental damages, including damages from loss of business profits, business interruption, lost data or lost savings. Even if a Binnenland representative has been advised of the possibility of such damages, or for any claim against you by any third party. Under no circumstances shall Binnenland's liability exceed the replacement cost of the software.

7-3

You agree to indemnify and hold Binnenland harmless from and against any claims or damage which may result from your breach of this License Agreement.

Article 8: Term

8-1

The license is effective until terminated. Binnenland has the right to terminate your license immediately if you fail to comply with any terms of this Agreement. In addition, Binnenland reserves the right to claim punitive damages. Upon such termination you will destroy the original and any copies of the Font Software and related documentation.

Please bear in mind that font-piracy is illegal and punishable!
